

National Careers Week

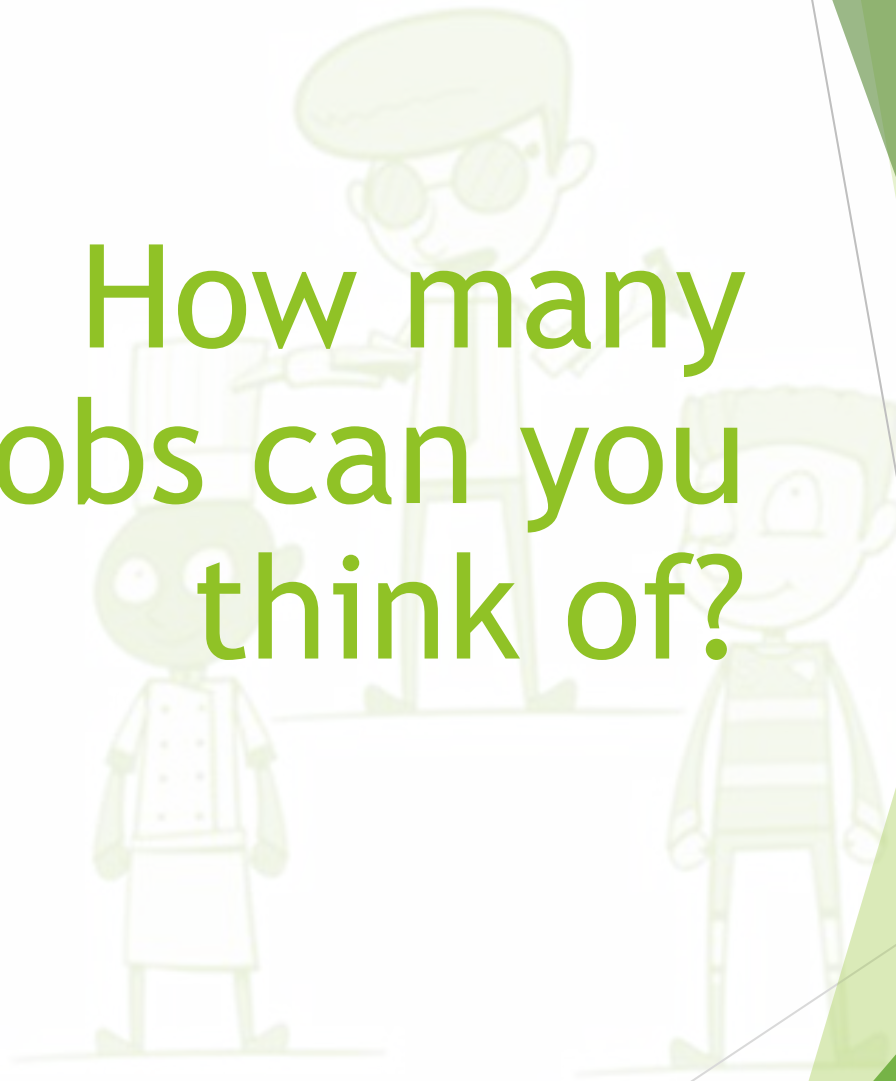

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The central area is white, providing a clean space for the text.

“Choose a job you love,
and you will never have to
work a day in your life”
Confucius

How many
jobs can you
think of?

Did you think of any of these?

► Pinsetter

► Lamp Lighter

Did you think of any of these?

- ▶ Switchboard Operator

- ▶ Elevator Operator

Jobs That Don't Exist

- ▶ Jobs being replaced with technology is not a new thing
- ▶ Many jobs have disappeared over the last hundred years due to technology
- ▶ Jobs that people do now will disappear in your lifetime

What is interior landscaping?

Interior landscapers design and care for plants in enclosed spaces like offices, restaurants, hotels, shopping malls and hospitals.

It is a fast growing industry, driven in part by research showing indoor plants can bring health benefits like better air quality and generally improve the environment.

Jobs in the interior landscaping industry

A photograph of two men in a greenhouse. The man on the right is leaning over a table, closely examining a plant. The man on the left is looking towards the right. The scene is filled with various green plants, including snake plants and peace lilies. A small clear bottle is on the table. The image has a green geometric overlay on the right side.
