- ▶ I need to know a lot about the plants
- ▶ I make interior spaces better to live and work in
- ▶ I am an interior landscaping designer

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the frame, creating a modern, layered effect. The rest of the background is plain white.

What is interior landscaping?

What do you feel
when you look at
the colour green?

Does the green colour make
you feel:

good, relaxed, calm
or

angry, restless, stressed

Which classroom would
you like to study in?

This one?

Or this one?

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The text is centered in a clean, sans-serif font.

Interior Landscapers
bring plants into interior
spaces to make everyone
feel better and happier

A photograph of two men in a greenhouse. The man on the left is looking towards the right, and the man on the right is leaning over and examining a plant. The plants are green and yellow variegated. The background is blurred, showing more plants and the structure of the greenhouse. The text is overlaid on the bottom left of the image.

**Remember, all the jobs you have just seen
needed lots of personal skills
It's not all about exams and certificates
Ask your parents about what skills they need
for their job**
